Project requirements

Name:	Brooklyn Coulson
Community & UN SDG(s):	Non-Profit organizations within Saskatchewan.
	Mainly goals 4.7, 17.17, however all goals will be featured in the project.
Date:	October 20, 2023

Project Name	Initiative Insights: SDG Navigator

Functional Requirements

SDG Survey:
- users answer a series of questions regarding their initiative/program and are presented with which SDG(s) they align with.
- have 3 different survey lengths to choose from (short, medium, long)
- allow users to take their results back with them (download, email, sharing via social media)

Examples on how others have incorporated SDGs in their initiatives/programs:
- allow users to view information on how others have integrated SDGs within their programs/initiatives
- allow users to filter through the examples available (region, SDG, project type, organization size, date)
- allow users to share the examples to other platforms (copy link, sharing via social media)

Additional resources:
- have a list of other resources regarding SDGs, other tools available, SDG events within Saskatchewan to get involved with
- allow users to filter through the resources available (date, region, resource type)
- allow users to share the resources to other platforms (copy link, sharing via social media)

Feedback options:
- have a FAQ section to aid users during their journey on the website
- accept requests for examples to be added (form options, form acceptance, contact information)
- accept requests for resources to be added (contact information)
- accept user feedback/questions (form options, form acceptance, contact information)
